

Memorandum

DATE: June 28, 2001
REPLY TO: WMD
SUBJECT: AL Pollution Prevention (P2) Semi-Annual Report, Mid Year FY01
TO: Those on Attached List

Attached is a copy of the AL Pollution Prevention Mid Year FY01 Semi-Annual Report. This report highlights Albuquerque Operations Office (AL) P2 Program activities and AL site P2 accomplishments as reported in the EM-22 Complex-wide P2 database for the first half of FY01.

This semi-annual AL P2 program report replaces the previous AL P2 quarterly report. Complex-wide P2 program accomplishment reporting was restructured at the beginning of FY01 to collect site accomplishments on a semi-annual basis versus quarterly, resulting in this change.

I welcome your comments on the content of this report. This report contains information on AL site P2 accomplishments as well as a rollup of the data for AL. This report will be issued semi-annually to keep you informed of AL P2 accomplishments, achievements and P2 Program issues. Transmittals of this report are only provided electronically. If you prefer a hard copy, please let me know.

If you have any questions or comments I can be reached at (505) 845-4347 or e-mail msweitzer@doeal.gov.
