U.S. Department of Energy's
Pollution Prevention (P2) Program

United States Department of Energy
Washington, D.C. 20585-0121

Office of Pollution Prevention &
Resource Conservation Policy &
Guidance (EH-43)

**Department
of
Energy**

**Pollution
Prevention**

**Televideo
Conference**

MAY 18 - 20, 2004

Who Should Attend?

DOE and Contractor staff,

- **involved in implementing Environmental Management Systems**
- **looking to reduce operation life-cycle cost and liability by preventing pollution**
- **involved in waste management**
- **involved in environmentally preferable purchasing**
- **involved in facility and process design and operations**

About the Televideo Conference...

Join DOE's first televideo Pollution Prevention (P2) Conference at one of 25 sites connected from around the DOE complex. Participation in this conference enables headquarters as well as the field sites to better understand what concerns, successes and new ideas are out there involving P2. It also enables us to discuss improvements to P2 as well as to evaluate what we are doing well and what we still need to improve.

Topics:

Chemical Pharmacy

Bryan Carlson - bjc@lanl.gov

Environmentally Preferable Purchasing

Richard Langston - Richard.Langston@hq.doe.gov

Funding for P2
