

EH SUGGESTIONS FOR NEW DOE POLLUTION PREVENTION GOALS

**JANE POWERS
OFFICE OF POLLUTION PREVENTION AND
RESOURCE CONSERVATION, EH-43
MAY 20, 2004**

SUGGESTED CRITERIA FOR NEW P2 GOALS

- SECRETARIAL P2 GOALS HAVE DECEMBER 2005 DEADLINE
- DEPARTMENT NEEDS TO COME UP WITH NEW GOALS THAT:
 - TAKE INTO ACCOUNT NEED FOR P2 TARGETS AND OBJECTIVES IN SITE EMS
 - ENSURE COMPLIANCE WITH EO AND DOE ORDER 450.1 GOALS AND REQUIREMENTS
 - CAN BE ROLLED UP DOE-WIDE

SUGGESTED TYPES OF NEW P2 GOALS

- SET OF NUMERICAL GOALS COULD BE BASED ON SITE EMS P2 GOALS AND TARGETS
- SET OF “QUALITATIVE” (OR PERFORMANCE) GOALS ROLLED UP AT THE DEPARTMENT LEVEL TO SHOW PROGRESS OF ACTIVITIES THAT CANNOT BE QUANTIFIED

SUGGESTED NUMERICAL P2 GOAL

- AGENCY GOAL TO CONTINUALLY IMPROVE EFFICIENCY AND COST-EFFECTIVENESS OF OPERATIONS AT DOE SITES
- MEASURED BY:
 - REDUCTIONS IN GENERATION OF CERTAIN WASTE STREAMS AND TRI RELEASES OF POLLUTANTS TO AIR, LAND AND WATER; AND
 - INCREASE PURCHASE OF ENVIRONMENTALLY PREFERABLE PRODUCTS AND SERVICES, ETC.

SUGGESTED NUMERICAL P2 GOALS (CONT.)

- HEADQUARTERS WOULD NOT SET PERCENT REDUCTIONS
- WOULD ROLL UP DATA TO SHOW EITHER A REDUCTION OR INCREASE FROM LAST YEAR'S REPORTING
- SITES COULD USE EXISTING P2 DATABASE FOR ANNUAL REPORTING OF DATA

SUGGESTED QUALITATIVE P2 GOALS

- DOE ORDER 450.1 AND EPA DOCUMENTS PROVIDE EXAMPLES:
 - # SITES IMPLEMENTING P2 PRACTICES IN FY TO REDUCE WASTE FROM PREVIOUS YEAR
 - # SITES WITH P2 OBJECTIVES AND TARGETS IN EMS/ISMS
 - # SITES WITH M&O CONTRACTS THAT CONTAIN O 450.1 P2 PROVISIONS
 - # SITES SUBMITTING P2 AWARD NOMINATIONS IN FY

WHAT ABOUT A “GREEN” SCORECARD

- INTEREST AT EPA AND OFFICE OF FEDERAL ENVIRONMENTAL EXECUTIVE IN SCORECARDS
- ALREADY HAVE EMS AND ENERGY SCORECARDS
- MAY BE ADVANTAGEOUS TO DEPARTMENT TO CONSOLIDATE THESE QUALITATIVE ACHIEVEMENTS INTO “GREEN” SCORECARD
